

## *Cooking with Friends*

### *Sample Invitation*

*Date: October 21, 2007*

*Time: 1:00 p.m. - 3:00 p.m.*

*Location: Vicky's Kitchen*

*Guests: Vicky, Jen, Katie, Jessica*

#### *The Idea*

*To have a fun cooking experience with friends while working to stock your freezer and prepare meals in advance.*

#### *How it is Done*

*Everyone brings a recipe for a main course dish they like to cook, along with the ingredients to cook their dish 4 times. We will cook our meals together while enjoying a glass of wine and appetizers. Once the cooking is complete we switch dishes so that everyone goes home with four special homemade meals.*

#### *What to Bring*

- Your Special Recipe*
- Ingredients x 4*
- Disposable serving dishes x 4*

#### *Things to Consider*

- Appetizers and drinks will be served.*
- Vicky's kitchen is well stocked with cooking implements so you should not have to bring anything to cook with, but if you are concerned about a special tool or utensil you should email her!*
- When you decide on your recipe please email the group so we know what everyone is bringing and we don't have duplicates.*
- Everyone will receive a copy of all the recipes.*

*Thanks to katie for creating this invite!*
